

# HP Synthetic Blend 2-Stroke Engine Oil

Bel-Ray® Marine HP Synthetic Blend 2-Stroke Engine Oil is formulated for high performance and protection in the most extreme marine conditions.

## Features & Benefits:

- Clean-burning, petroleum-based formula for direct injection, autolube, and pre-mix applications
- Unparalleled technology provides greater performance than pure synthetic formulas
- Wear protection extends engine life and protects your investment
- Provides superior performance at high temperatures and idling speeds
- Formulated for exceptional performance in direct injected 2-Stroke outboards and PWC engines
- Proven performance in Evinrude E-tec®, Mercury DFI & Opti-Max® and Yamaha HPDI® outboards

**Bel-Ray HP Synthetic Blend 2-Stroke Engine Oil vs. Top OEM's**  
Falex Test Results Comparing Bel-Ray to 2 of the top OEM's highest quality direct injection oil products.

Leading OEM #1 @ 500  
PSI on Falex Wear Test

Leading OEM #2 @750  
PSI on Falex Wear Test

Bel-Ray HP Synthetic Blend  
@1500 PSI on Falex Wear Test

Available sizes:  
1 Liter 99721-BT1  
4 Liter 99721-BT4  
55 Gal Drum 99721-DR
